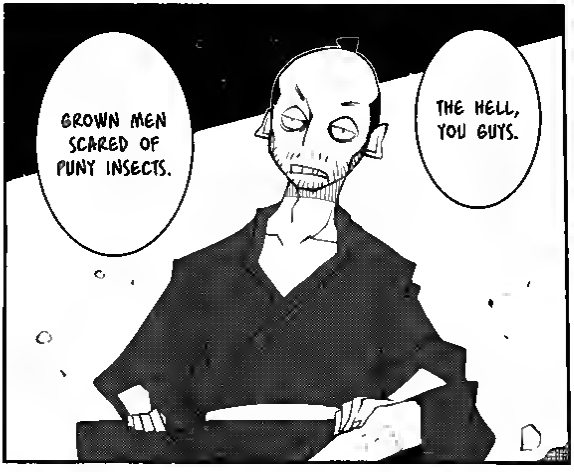
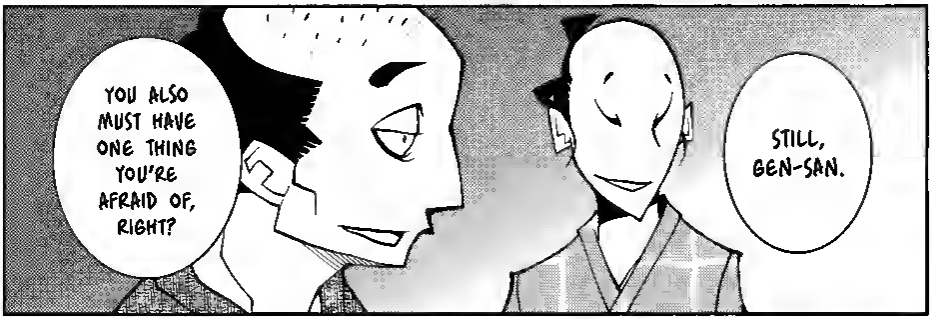
ZOMBIE SPECAIL

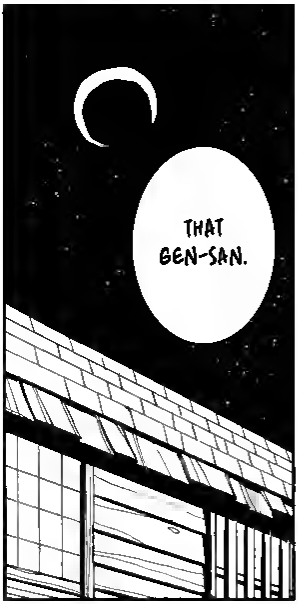
Scary manju of the dead

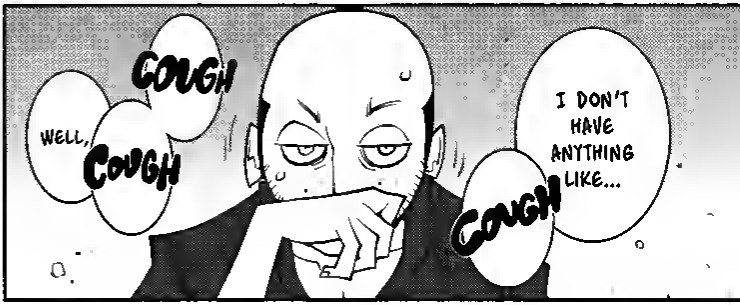
The Edo period...

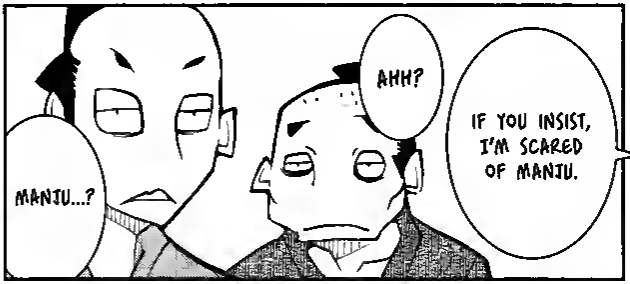


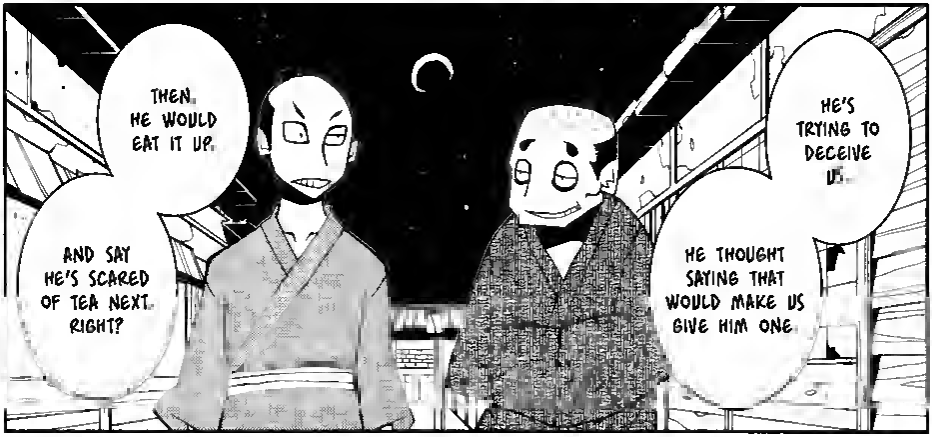
道満晴明 Dowman Sayman











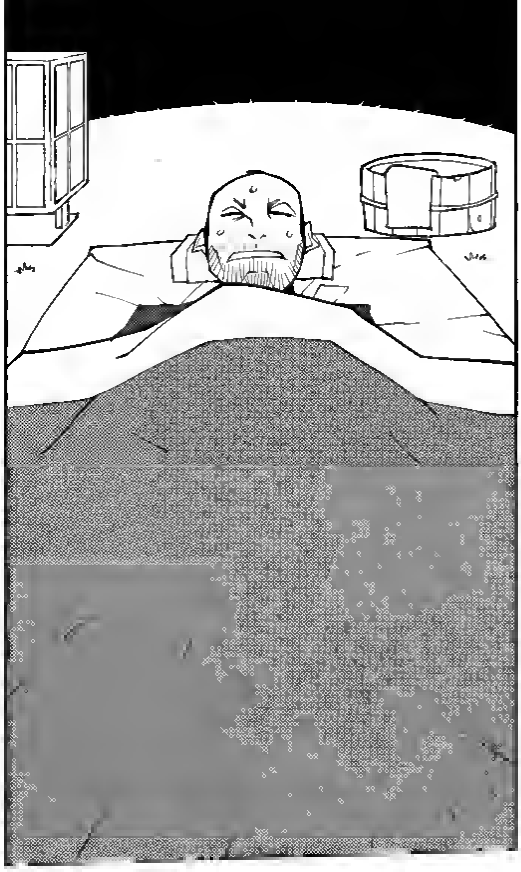
THEN, HE WOULD EAT IT UP.
HE'S TRYING TO DECEIVE US.
AND SAY HE'S SCARED OF TEA NEXT, RIGHT?
HE THOUGHT SAYING THAT WOULD MAKE US GIVE HIM ONE.

Note: Manju is a traditional Japanese confection made from flour, rice powder and buckwheat and a filling of red bean paste.

Note: Mount Asama is an active volcano 140km from Tokyo (Edo).

ACCORDING TO HIM,
BUT APPARENTLY, IT WAS NOT YOUR ORDINARY STONE.
YOU REMEMBER THE RECENT ERUPTION OF MOUNT ASAMA.
ANYWAY, WE STILL DON'T KNOW WHAT GEN-SAN IS SCARED OF.
GEN-SAN WENT OUT OF HIS WAY TO GET TO ONE.
ROCKS FLIED ALL THE WAY UP TO EDO.
HE MUST LIKE THOSE.
DON'T TAKE WHAT GEN-SAN SAYS AT FACE VALUE.
AS IF.
BUT IT'S ACTUALLY A STAR THAT FELL FROM THE SKY.
IT DIDN'T COME FROM MOUNT ASAMA.

YOU ALL RIGHT, GEN-SAN?
COUGH
YEAH... SORRY.
I'M MAKING YOU GUYS WORRY.

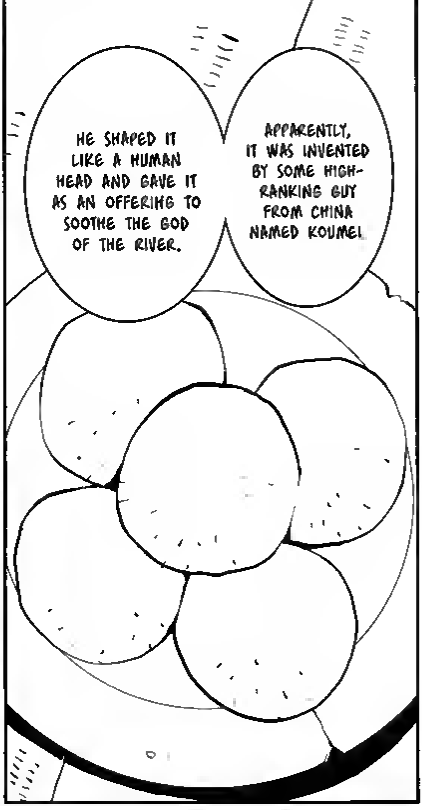


IT'S NOT LIKE YOU.
TO BE STUCK IN BED.

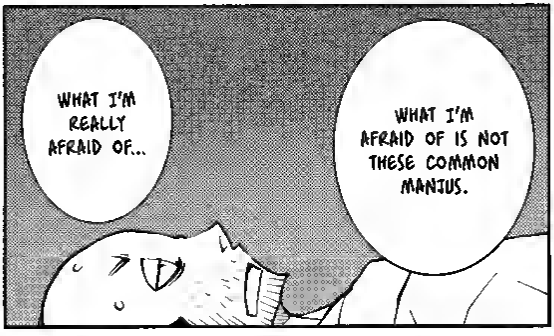
HERE, WE GOT YOU THE MANJUS YOU HATE SO MUCH.
EAT SOME AND GET WELL.

...SAY.
DO YOU KNOW THE ORIGIN OF MANJUS?

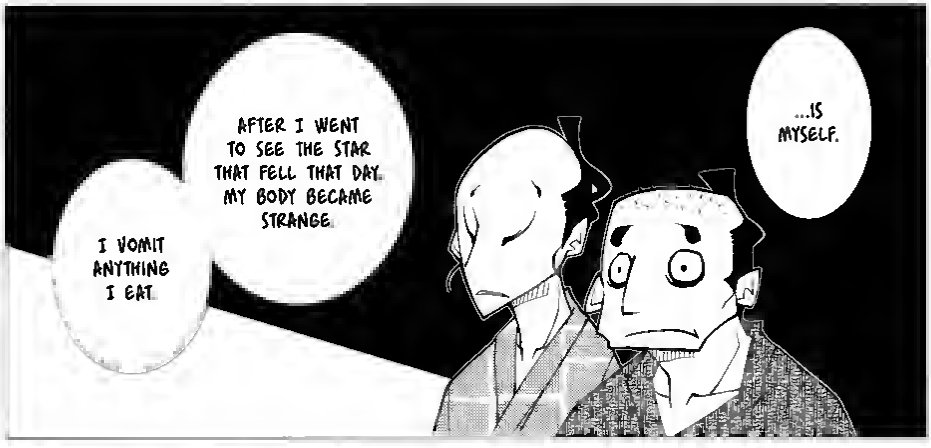
STOP THAT, I'M LOSING APPETITE.



HE SHAPED IT LIKE A HUMAN HEAD AND GAVE IT AS AN OFFERING TO SOOTHE THE GOD OF THE RIVER.
APPARENTLY, IT WAS INVENTED BY SOME HIGH-RANKING GUY FROM CHINA NAMED KOUMEI.



WHAT I'M REALLY AFRAID OF...
WHAT I'M AFRAID OF IS NOT THESE COMMON MANJUS.



I VOMIT ANYTHING I EAT.
AFTER I WENT TO SEE THE STAR THAT FELL THAT DAY, MY BODY BECAME STRANGE.
...IS MYSELF.

BUT YOUR HEADS, THEY LOOK AS DELICIOUS AS MANJUS.

Don't forget to send your thought or opinion on this work!!

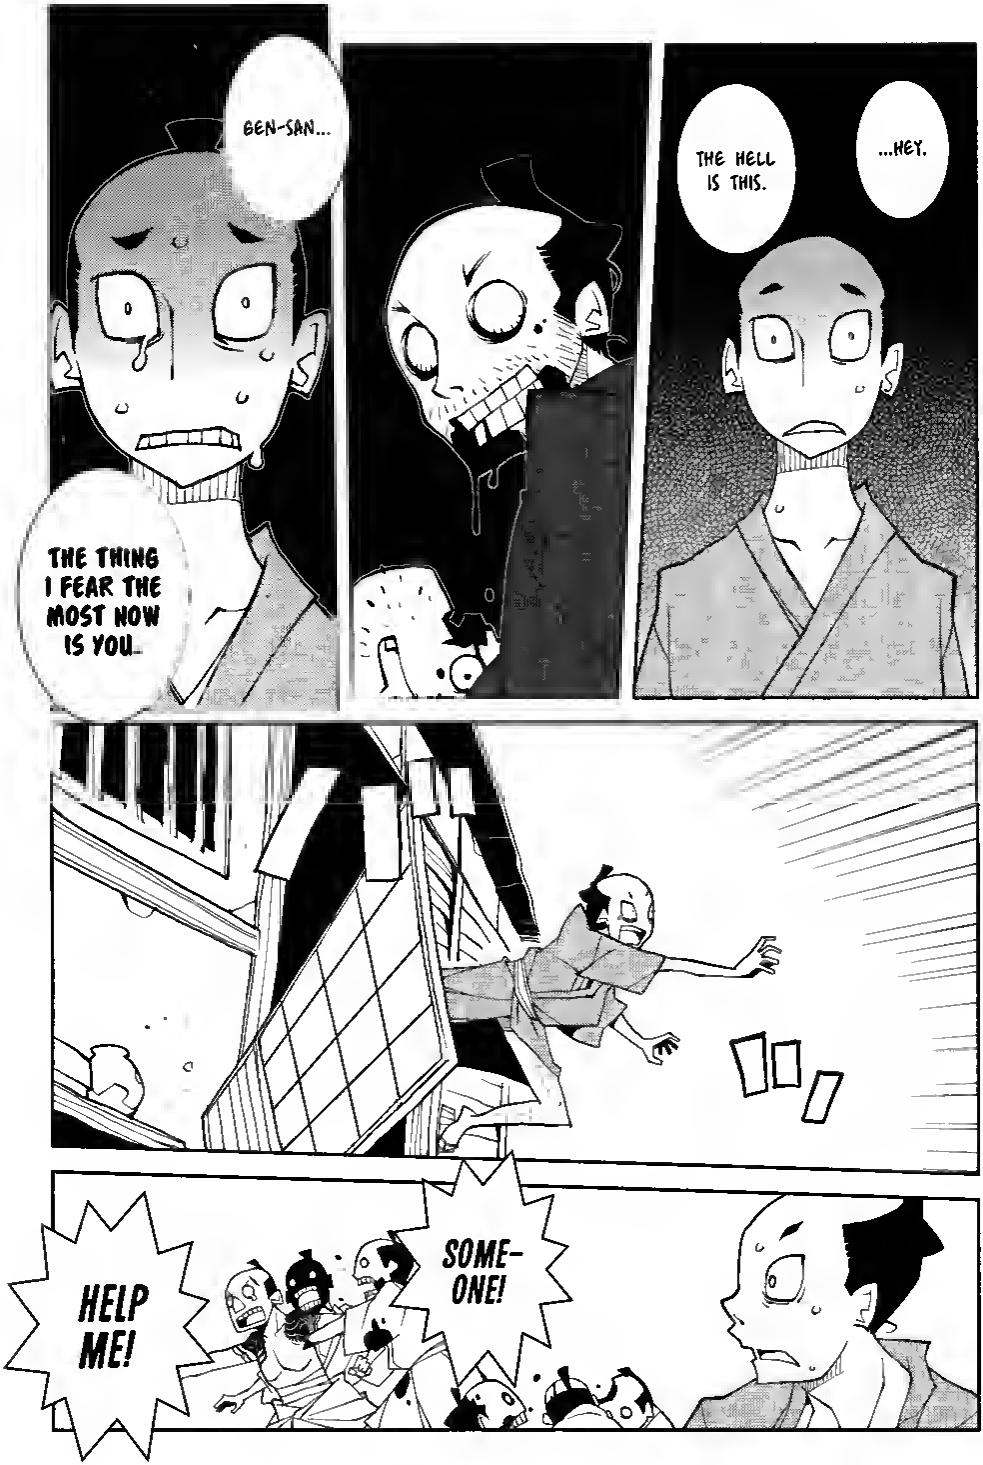
Feedback and response



BEN-SAN...
THE THING I FEAR THE MOST NOW IS YOU.
...HEY.
THE HELL IS THIS.
HELP ME!
SOME-ONE!

HAPPENED IN EDO?
THE HELL...
BEFORE, YOU COULD STILL FIND REPRESENTATIONS OF CANNIBALISM AT THE "MEMORIAL STELE AND PLATFORM FOR THE STARVED", BUT THEY ARE NOW SCRAPED OFF
THIS EVENT WAS LATER CALLED THE GREAT TENMEI FAMINE HOWEVER, IN ORDER TO PROTECT THE REPUTATION OF THE TOKUGAWA SHOGUNATE, THE TRUTH OF THE COMMOTION WAS NEVER PASSED DOWN

This is bad, really bad...!!

THE END

Note: The Memeriei Steie is named "Geshi benrei-te kuyoto eyehi heidenseki", feceted in Hechinche, Aemeri
